## Delivery programm

---

### Technical polypropylene

PP-homopolymer | PP-copolymer

unreinforced, reinforced, UV, heat and impact resistance modified, mineral-filled, flame retardant (UL94V2 and V0 – also halogen free) with UL certificate (yellow card), customer-specific modifications

### Technical polypropylene

PP-long glass-fibre

UV, heat and impact resistance modified, customer-specific modifications

### Polyamide

PA 6 | PA 6.6

unreinforced, reinforced, unfilled, filled, UV, heat and impact resistance modified, flame retardant (UL94V0– also halogen free) with UL certificate (yellow card), customer-specific modifications

### Polybutylene terephthalate and blends

PBT | PBT/ASA | PBT/PET

unreinforced, reinforced, distortion-resistant, unfilled, filled, UV, heat and impact resistance modified, flame retardant (UL94V0– also halogen free) with UL certificate (yellow card), customer-specific modifications

### Polyethylenterephthalat

PET

unreinforced, reinforced, flame retardant (UL94V0– also halogen free) with UL certificate (yellow card), PET specialities for injection moulding, customer-specific modifications

### Acrylonitrile styrene acrylate and blends

ASA

unreinforced, customer-specific modifications

### Acrylonitrile butadiene-styrene and blends

ABS | ABS/PA

unreinforced, reinforced, UV, heat and impact resistance modified flame retardant (UL94V0 – also halogen free - and UL94HB) with UL certificate (yellow card), customer-specific modifications

### Polycarbonate and blends

PC | PC/ABS | PC/PBT | PC/PET

unreinforced, reinforced, flame retardant (UL94V0 – also halogen free) with UL certificate (yellow card), customer-specific modifications

### Polyvinyl chloride

PVC

customer-specific modifications

### Thermoplastic Elastomers

TPE (SBS, SEBS, SEPS, SEEPS, MBS)

TPU | TPV

all current market specifications always available, customer-specific modifications

### ECO products and ECO compounds

resource-conserving, customer-specific modifications

### Colour masterbatches

various polymers carrier

customer-specific modifications

### Functional masterbatches

various polymer carrier

customer-specific modifications

### Conductive products

various polymer carrier

customer-specific modifications
